

RS AND COMPANY

THE REAL DEAL

SINCE (2017)

www.rsandcompany.com

Introduction

Welcome to RS AND COMPANY , where innovation meets durability. Specializing in high-quality borosilicate glassware, we deliver products that are heat-resistant, chemically stable, and ideal for both laboratory and everyday use. Our commitment to excellence ensures that our solutions stand up to the toughest conditions while meeting the highest standards of precision and safety.

About Us

Our company specializes in the design, manufacturing, and distribution of high-quality borosilicate glass products. Known for its exceptional durability, thermal resistance, and chemical stability, borosilicate glass is ideal for a wide range of applications, from laboratory equipment and cookware to industrial and consumer goods. We pride ourselves on delivering precision-engineered solutions that meet the highest standards of performance and reliability.

With a commitment to innovation and sustainability, we continually advance our technology to provide products that meet the evolving needs of our diverse clientele.

Products overview

We produce multiple products. you may get the overview from below.

**BOROSILICATE
KATORI**

BOROSILICATE JAR

**BOROSILICATE
WATER BOTTLE**

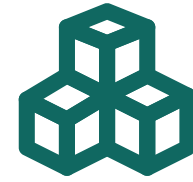

ROLL ON ATTER

**BOROSILICATE
GLASS**

BOROSILICATE KATORI

SPECIALITY

- Thermal resistance
- Durability
- Lightweight
- Eco-friendly

Utilizations

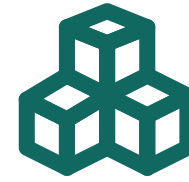

- Serving food
- Microwaving
- Laboratory use
- Gifting

Manufacturing

- Natural Material
- Trusted Manufacturer
- Pure borosilicate

BOROSILICATE JAR

SPECIALITY

- Thermal resistance
- Durability
- Lightweight
- Eco-friendly

Utilizations

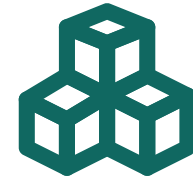

- Serving food
- Microwaving
- Laboratory use
- Gifting

Manufacturing

- Natural Material
- Trusted Manufacturer
- Pure borosilicate

BOROSILICATE WATER BOTTLE

SPECIALITY

- Thermal resistance
- Durability
- Lightweight
- Eco-friendly

Utilizations

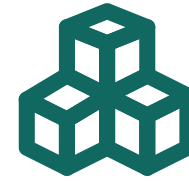

- Serving food
- Microwaving
- Laboratory use
- Gifting

Manufacturing

- Natural Material
- Trusted Manufacturer
- Pure borosilicate

ROLL ON ATTAR

SPECIALITY

- Alcohol Free
- Long Lasting
- Premium Quality
- Skin-friendly

Utilizations

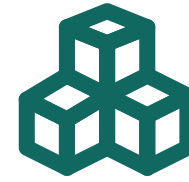

- Personal Fragrance
- Portable and convenient
- Traditional Use
- Budget Friendly

Manufacturing

- Natural Ingredients
- Trusted Manufacturer
- 2.5 and 8 ml quantities available

BOROSILICATE GLASS S/M/L

SPECIALITY

- Thermal resistance
- Durability
- Lightweight
- Eco-friendly

Utilizations

- Serving food
- Microwaving
- Laboratory use
- Gifting

Manufacturing

- Natural Material
- Trusted Manufacturer
- Pure borosilicate

AKHAND JYOT

SPECIALITY

- Spiritual Significance
- Continuous Burning
- Practical Design
- Ceremonial Use

Utilizations

- Meditation and Reflection
- Sacred Places
- Symbolic Lighting
- Religious Practices

Manufacturing

- Design and materials
- Preparation of Fuel
- Assembly
- Great Quality
